## PARENT / CAREGIVER INFORMATION

### ATTENDING EVENTS

We encourage parents / caregivers to attend sporting events their children are involved in, when attending sporting events we would appreciate you keep these things in mind:

- Applaud the performance of both teams. Praise the efforts of all those involved, not results.
- Be positive towards your team, opposition, officiation, management and other spectators.
- Set a positive example for players.
- Use appropriate and acceptable language.
- Coaches, managers, and officials are volunteers, they try to the best of their ability.
- Remember young people play sports for their satisfaction not yours.

### HELPERS FOR EVENTS

Some events require helpers of parents / caregivers that involve driving a minivan or private vehicle (fuel costs covered) and overseeing the students with support from the staff member in charge. If the event does not have enough helpers we may have to withdraw from attending.

- When the *Information Letter* is sent out to students and parents / caregiver there may be a section asking for helpers. If you are able to assist please contact the Sports Coordinator.
- You will need to have a full license.

### COMMUNICATION WITH SCHOOL

The bulk of information for sporting events is distributed via email to the listed contacts on a student's Kamar profile, it will be sent to both parent / caregiver A and B. This information will also be sent to the student's school email address. Please ensure your details are up to date and correct with the school office. A hard copy of the information letter can be given if required.

Further information about events including draws, postponements and cancellations can be found on the [Greymouth High School Sports Hub Facebook Page](#), highly recommended to 'follow' and 'like' this page and the main [Greymouth High School Facebook Page](#).

### CONCERNS

If you believe your child is not receiving fair and appropriate coaching, management or opportunities please contact the school. You can email, call or set up a meeting with the Sports Coordinator and/or a member of the Senior Leadership Team to address any concerns.

Coaches and management are held responsible through a contract signed with the school to uphold school values and expectations, to ensure the safety of your child and to do their role to the best of their ability.

### CONSENT / PERMISSION TO ATTEND EVENTS

Students require permission from a parent / caregiver to attend an event. This can be completed via the School App (search app store for School App, type in Greymouth High School), paper copy or verbal confirmation.

## SPORTS UNIFORMS

For most sports representing Greymouth HS students will be provided with a full Greymouth HS sports uniform on loan for the event only. These uniforms must be returned at the end of the event.

Some sports you may only be provided with a singlet or t-shirt. You need to have your own PLAIN navy or black shorts, pants or tights. Low cost sport material black or navy options can be found at The Warehouse.

NOTE: If sports uniforms are not returned an invoice may be sent that will cover the cost of a replacement uniform.

## SPORT FEES

### IMPORTANT

All events that require a fee to attend will be notified to the student and parent/caregiver through email notification via the *Information Letter*, this information letter can also be given in a hard copy if required.

The fee **MUST** be paid prior to the event as per the deadline on the information letter. If fees are not paid the student cannot attend the event.

If you require assistance with any fees please contact the office and we will work with you to ensure a payment plan is established so the student can attend sporting events.

Highly recommended that some money is deposited into the student's school account to accumulate over the year to cover fees of trips, even \$5.00 every couple of weeks helps to make the fee less intimidating.

### WEEKLY SPORT

Weekly sport fees can range from \$50.00 - \$120.00 depending on the sport.

Local associations set the fees for the basketball and netball teams.

School rugby and rugby league is dependent on the amount of games scheduled in the year for the home and away games. Hosting schools supply an 'aftermatch' function for the visiting school.

### WEST COAST SECONDARY SCHOOL DAY EVENTS

WCSS one day events have lower fees as transport is the major cost to cover, if an event is hosted away there will be some sort of fee to attend. These fees will be outlined in the *Information Letter* about the upcoming event. Events hosted in Greymouth have little to no fee to attend.

### WINTER TOURNAMENT WEEK

Tournament week events have the highest fee of any sport event.

Expect fees to be at least \$350.00 per student. These fees include: accommodation, transportation, food, portion of entry fee and other miscellaneous small costs of attending overnight events.

There will be multiple fundraising opportunities to help lower the fee, it is highly recommended that the student and families get behind these initiatives to reduce fees as much as possible.
