School philosophy and Standards: Partnership

Our community has high expectations of our staff and students. To achieve the best possible learning for our students, we need to work in partnership: Board, Staff, Parents and Students. We ask parents/caregivers and the enrolling student to commit to and sign the following statement in support of the Partnership

As parent/s or caregiver/s of a student at Greymouth High School, I/we accept the Values of the school that have been established by the Greymouth High School Board of Trustees (see below) and behavioural expectations and rules that support the Values.

I/we acknowledge that these Values are in place to support all students to achieve as per the school's Vision (see below).

I/we are aware that the details of the student uniform and personal appearance are published in the Parent's Guide and the Student Handbook and that these will be adhered to.

School behaviour standards are stated in the Parents' Guide, the Student Handbook and in posters in many parts of the school. School routines are published in the Student Handbook and Behaviour Management System.

GREYMOUTH High School
Te Kura Tuarua o Māwhera

OUR VISION
The heart of learning in our thriving community.

Greymouth High School is a welcoming school with high achievement for all learners, based on strong relationships and values throughout our community, where every learner develops qualities to make a positive difference throughout their lives. In this way, we play a key role in the Grey District's future.

OUR VALUES: ARCH

<p>AKORANGA</p> <p>A learning community in which relationships allow for both student and teacher to be learners and teachers.</p>	<p>RESPECT</p> <p>Showing respect by caring for self, each other, guests and our environment.</p>	<p>COMMUNITY</p> <p>Strong and positive relationships throughout our school community, with associated rights and responsibilities, giving a sense of belonging.</p>	<p>HAUORA</p> <p>Valuing the wellbeing of everyone in our school community.</p>

Parents Association

Our role is to

- Support student activities at our school
- Support school activities
- Organise activities to raise funds

The Parents' Association meet on the first Wednesday of each month during term time. Meetings are informative and include a report from the Principal about the school. These meetings are advertised in the school Newsletter.

We welcome your involvement.

I would like to be involved and know more about the GHS Parents' Association Yes No

Education Outside the Classroom Consent at Enrolment

Education Outside The Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on- and off-site. EOTC includes sport and recreation; cultural experiences; and the range of subjects offered to students.

EOTC is part of the curriculum of Greymouth High School because we believe that it is beneficial to students to see things 'for real', to experience movement and adventure.

Parental consent

For any event that has a perceived risk greater than usual 'in classroom' activities, or any event overnight, or any event taking your child out of class for more than a period or costing you money, you will be asked for informed consent.

This means you should be helped to understand the risks and only give consent when you are happy that we have managed the risks appropriately.

For events that are of 'normal' risk and take place during a school period without costing you money, we ask for parental consent at time of enrolment (see enrolment form). This means that you have accepted that we will manage risks appropriately and that we do not need to ask you for consent at the time.

Risk management

We take our responsibility for your child's safety seriously. All EOTC activities require staff to undertake an analysis of the risks and identify the management strategies required to eliminate, isolate and minimize those risks. At GHS we use a risk analysis management system (RAMS) and safe activity plans (SAP). The documentation is available from the teacher in charge of any activity for which you're being asked to consent to. While pre-event planning is vital, the actions of staff as managers of the students is most important in risk management.

Every activity contains an element of risk, including doing nothing! It is our view that risk, managed appropriately, can be beneficial to student learning. "Acceptable risk" relies on communication so that you can decide what is acceptable to you.

Communication

It is expected that parents/caregivers are informed in advance of the events/activities through letters, newsletters and the website. An EOTC letter should state all relevant details including risks. If you have any questions, you should ask them before signing consent.

It is the responsibility of parents/caregivers to inform school of changes to contact and/or medical details and to alert teachers in charge of EOTC to any specific concerns.

I/ We agree to the participation of my/ our child in Education Outside the Classroom (EOTC) and sport activities / events while a student at Greymouth High School. Yes No

We have provided the school with up to date medical, supervision and learning information through the enrolment form, and will make every endeavour to keep this information current. Yes No

I/ We wish to raise the following concerns about my/our child's involvement in sport/ EOTC

Responsible Use Agreement for Cell Phones and Digital Devices

Greyouth High School prefers student cell phones to be kept at home. If a parent/caregiver judges that a cell phone is needed and a student brings a cell phone to school, such cell phones are not the responsibility of the GHS staff or board and no liability is accepted in the event of loss or breakage. At the beginning of each lesson, cell phones have to be turned off or silent and placed in either the box provided or inside the student's bag.

Conditions of Use

I will comply with the school rules regarding cell phone use. I understand that my cell phone must be turned off or silent and must be placed in the class box provided or my bag at the start of each lesson. I understand that if a cell phone is used in class it will be confiscated for the day and I will not be allowed to collect it until after 3.05pm from the student office. I understand the consequences for inappropriate use of a cell phone.

I agree that I will:

- Respect others, use appropriate language at all times and not slander or defame anyone.
- Not disclose personal information about anyone using my cell phone. This includes disclosing a person's real name, telephone number, address or any other information which could be used against them.
- Not be in possession of, send, access, or store any material that is obscene or offensive or inappropriate.
- Use the cell phone responsibly and at the agreed times.
- Not use my cell phone to send false information.
- Respect the privacy of communications belonging to others.
- Not use my cell phone to send messages that bully or harass other students or pass on defamatory information about others.
- Not download inappropriate material from the Internet to a cell phone.
- Report any security problems regarding the use of a cell phone to a teacher.
- Be responsible for the security of the phone during the school day.
- Ensure that if I lend my cell phone to someone else that I will take responsibility for the appropriate use of it.

I agree to all of the above stated rules and I acknowledge that any breach of the rules will result in the cell phone being confiscated and/or this Responsible Use Agreement being cancelled.
